PROFESSIONAL EXCELLENCE

ABC HOSPITAL, San Jose, CA, 20xx-20xx

Senior Financial Analyst

Consulted with the Corporate Office, Budget and Decision Support, for corporate-level budgeting and development of annual projections. Focused on Porter and Littleton Hospitals and developed information and data systems that enabled enhanced monitoring and improved performance. Managed financial analysis, which included cost accounting, profitability, and product line analysis, month-end profit and loss, and clinical analysis to determine utilization and quality.

Delivered Results:

- Established innovative productivity systems with 24/7 monitoring to measure revenue and human resources. Automated reporting with Access and Excel databases, which reported productivity and simplified access to key information.
- Built a capital committee in collaboration with the vice president of finance and CEO. Developed a long-short-term capital plan, reviewed purchases and performance of prior purchases.
- Initiated daily productivity tools for utilization by all hospital departments.
- Managed performance directly and financially in close collaboration with departmental directors.
- Realized record financial results at both Porter and Littleton hospitals.
- Collaborated with the organization's frontline leaders in development of customized tools to ensure optimal performance.
