## FIFTH-GRADE STATE REPORT

Dear Parents/Guardians:

We have come to that time of year where fifth-grade students research and write a state report.

Attached are the guidelines for students to follow in writing the report. Most of the report will be researched, written, and put together inside of school.

I ask that you guide your son or daughter in doing research on the state. Students must write the report using their own thoughts and words and not copy from books or other sources. Students should enjoy doing the state report from their own perspective. Your encouragement will mean a lot to your son or daughter!

Oral presentations on the states researched will be given. We will also be filming their presentations.

Grades will be given for the state report (Social Studies) and for the oral presentation (English).

If you have any questions, feel free to contact me.

Thank you,

Ms. Medrano
